

SPEECH-LANGUAGE PATHOLOGISTS & ADHD/EXECUTIVE FUNCTION SPECIALISTS

MOTIVATE. ACHIEVE. SUCCEED.

GrowNOW

At GrowNOW Therapy we work with students to improve speech, language, motivation, and functional life skills.

Speech and language concerns may present in a variety of different ways.

We work to improve many skills including:

- Building their Internal Language/Self-Talk
- Understanding language and directions
- Self-Motivation and Self-Regulation
- Using language to communicate thoughts, feelings, and ideas

ABOUT US

At GrowNOW Therapy, we are a team of ASHA-Certified Speech-Language Pathologists & ADHD Specialists. Our team of expert clinicians have traveled the globe working with students, families, schools, and other professionals while evaluating and treating a wide range of specific needs. With our creation of the innovative iGrowNOW Treatment Model for Executive Functions & Resiliency, we have become leaders in the field of ADHD/Language & Literacy Treatment. Building Motivation, Productivity, & Resiliency - we will help your child to GrowNOW!
